## orbit™ Rocker Manual

**⚠ WARNING ⚠**  
Death or Serious Injury can occur

- ⚠ **FAILURE TO FOLLOW THESE INSTRUCTIONS AND THE PRODUCT LABELS CAN RESULT IN SERIOUS INJURY OR DEATH TO YOUR CHILD. DO NOT let others assemble or use the Rocker and associated Orbit products unless they understand how to properly use them.** Keep this instruction manual for future use. If the instruction manual is missing, call Orbit Baby at 1-877-ORB-BABY for a replacement.
- ⚠ **FALL HAZARD: The Rocker can tip. A child's movement can slide or move the Rocker.** Never place the Rocker near edges of countertops, tables or other elevated surfaces. Always stay within arm's reach whenever your child is in the Rocker.
- ⚠ **Adult assembly of the Rocker is required before use.** Always make sure that the Rocker Tubes are securely installed into the Rocker Hub.
- ⚠ **Avoid pinching injuries:** make sure your child's hands, arms, legs, and feet are clear of moving parts.
- ⚠ **Be sure the Orbit seat docked into the Rocker's SmartHub is secure before letting your child near.**
- ⚠ **Never allow your child to enter or exit the Rocker and Seat unassisted.**
- ⚠ **Use only Orbit tested and approved products with the Rocker.**

## Assembling Your Rocker

1. Start with one of the metal Rocker Tube pieces and insert both tube ends into the Hub of the Rocker as shown (Photo A).
2. Press the Rocker Tube into the Hub until the silver buttons on both sides have snapped into the plastic holes (Photo B).
3. Repeat Step 2 with the other Rocker Tube.
4. CHECK the security of the assembly by pulling outward on the Rocker Tube. Place the Rocker on the ground and apply weight (Photo C). The Rocker Tubes will flex, but not release from the Hub.

This completes the Rocker assembly.

To remove the tubing for storage, press the silver buttons while sliding each Rocker Tube out from the Hub.

## Docking to Your Rocker

1. Follow the instructions of the Orbit product that you are using with the Rocker.
2. Align the seat Hub to the SmartHub of the Rocker. Make sure the area on both products is clear of debris and any obstructions (Photo D).
3. After docking, CHECK the security of the seat by tugging to make sure the product is securely docked to the Rocker (Photo E).

## Using the Anti-Rock Arms

To temporarily prevent the Rocker from rocking, use both Anti-Rock Arms on at least one Rocker Tube:

1. Lift up on the Anti-Rock Arm tab (Photo F).
2. Rotate the Anti-Rock Arm until it snaps into place. (Photo G)

## Care & Maintenance

The plastic and metal parts of the Rocker can be cleaned with a damp cloth.

Do not use abrasive cleansers or chemicals, including bleach, for cleaning. These cleansers can attack the materials and affect the strength of the components.

## 2-year Limited Customer Warranty

### What this limited warranty covers and for how long:

Orbit Baby, Inc. ("Orbit Baby") warrants that the product accompanied by this limited warranty is free from manufacturing defects in material or workmanship for a period of two (2) years from the date of original purchase. This warranty only applies to the original purchaser of the product. The limited warranty period also applies to any implied warranties that may exist under applicable law. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

### What this Limited Warranty does not cover:

This limited warranty does not apply to: (1) defects resulting from repair (except by Orbit Baby or its authorized service representatives) or alteration of the product, (2) defects resulting from use with covers, inserts, accessories, tightening devices, or other components not supplied by or expressly approved in writing by Orbit Baby, and (3) defects resulting from misuse, including any use not in accordance with the product instructions, abuse, accident, neglect, improper maintenance or handling, or normal wear and tear.

### What Orbit Baby will do:

If you believe the product is defective please return it to Orbit Baby in the manner described below within the limited warranty period. If Orbit Baby determines a defect is covered by this limited warranty, Orbit Baby will, at its option, repair or replace the product or components of the product. This limited warranty extends to repaired and replacement products and components only through the end of the original limited warranty period.

### Limitation of Remedies under Limited Warranty:

Your remedies under this limited warranty are limited to repair or replacement of the product or components of the product. In no event will Orbit Baby or any of its retailers, dealers, distributors or resellers be liable for incidental, indirect or consequential damages relating to the product (including any repaired or replacement product or component) or its use. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation and exclusion may not apply to you.

### How State law applies:

This limited warranty gives you specific legal rights, and you may have other rights which vary from State to State.

### What you must do to get service under this limited warranty:

To make a claim under this limited warranty you must first contact Orbit Baby. You can email support@orbitbaby.com, write to Orbit Baby, 8445 Central Ave., Newark, CA 94560, or call 1-877-ORB-BABY. You must provide proof of purchase in the form of your original sales receipt in order to obtain service under this limited warranty.
